EST 1911

3035 Talbot Street

VOL. I, ISSUE 4

AUGUST 2014

*Our new look... with no Junipers and the newly painted doors. (See related story about other renovations on page 4)*

## September Meeting

On Thursday, Sept. 11, we will *open our doors* at 3:30 pm and start our program at 4:15 pm or so. Join us for a celebration (including cake) of the Assembly's 100 years, followed by our speaker and wonderful music by Quartet Marmalade.

Our Speaker at the Assembly on September 11 will be Thomas Novotny, M.D. MPH, nationally renowned Professor of Global Health at the Graduate School of Public Health, San Diego State University.

Dr. Novotny is a leader and expert in one of the most important public health issues of our world: Cigarette Waste. Support Dr. Novotny's efforts to inform and achieve clean water and a cleaner world!

## Save the date...

for our big 100th party for the building, Jan. 8, 2015. Details at a later date.

## Our Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

*The Point Loma Summer Concerts 2014 kicked off on July 11 with a performance by the Mighty Untouchables.*

The first concert of the season was sponsored by Dick & Dorothea Laub. Point Loma Assembly had a booth and special thanks to Ginny Buerger and Cindy Rosengrandt, who took Membership Information to the concert and Patti Adams who set up the booth and banner and is volunteering at the concerts for the 14<sup>th</sup> year.

## A Big Thanks ...

To our Board of Directors and our core of volunteers, led by a tireless and generous donor, Dorothea Laub.

These volunteers continue to orchestrate repairs to the Assembly, keeping our community treasure looking good and well maintained.

In recent years, membership at the Assembly had declined and due to deferred maintenance, the hall at 3035 Talbot Street had many needs. In November 2011,

under the leadership of Dottie, the Point Loma community rallied to restore membership in the Assembly and to work to restore this one of a kind, 100 year old beautiful building to its past glory. With this restoration, its role as an important and historic site for community civic engagements is starting to blossom again.

## Building Update

*By Bruce Cook*

The new roof installation will begin August 25. The hall will be closed that week to everyone.

The carpet cleaning will take place Friday, August 1st. The cleaning is being paid for by The Bible Studies Group director, Bob Lindfelt, and his associates. Many thanks to them. The painter has been working on the Southeast side of the building and has most of the sanding and repairs completed.

The new windows have arrived and I expect them to be installed the week of Aug 4th.

## Special Thanks

The lovely and expensive door hardware was donated by Martha Phillips and Bruce Cook.

## Meet Your Board

Each issue, we will be featuring an informational story on a board member.

### Vice President Cecilia Carrick

She is a Peruvian gal who emigrated to the USA in 1969 and has lived here in beautiful Point Loma for 34 years. She went to UCSD Medical School and practiced Pathology at Alvarado Hospital until she retired in 12-2000.

Always involved and with a variety of interests, Cecilia was President of the California Society of Pathologists while in medical practice. She has been on the board of Mama's Kitchen, Rachel's Women Center and Point Loma Association Board of Directors and, for eight years, a volunteer caretaker and translator for SD Hospice.

She decided, after many years of being a Point Loma "spectator", she would roll up her sleeves and in 2006, joined the Point Loma Association Mean Green Team. She joined the Assembly as Program Chair in 2013.

Says Cecilia, "my husband and I have a passion for (exotic) travel, so much of our travel time has been spent in faraway places like Madagascar, Galapagos, Patagonia and Sumatra. Next stop: Myanmar. Along with volunteerism we enjoy cooking, entertaining and biking".
