EST 1911

3035 Talbot Street

P.O. Box 60174, San Diego, CA 92166

VOL 1, ISSUE 11

APRIL 2015

As anyone who has attended one of the Assembly's meetings knows, the 100-plus name badges on the entryway table are alphabetized to facilitate disbursement and that is due to the hard work of the ladies on the Membership Team (*see story on page 2*). But with over 100 badges, they have their work cut out for them. Not to mention re-alphabetizing them after the meeting.

Enter Ruth Rollins (*pictured*) to the rescue with her gift to the Assembly: a hand made membership badge "board" with slots for each badge. This is a huge help and we all thank Ruth for her creativity.

## Our Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

Our March meeting was Easter themed and we have Carolyn Kutzke to thank for the table décor and Caroline Glasner, Ginny Buerger, Dottie Laub and Cecilia Carrick for the goodies.

## Our April Meeting

The April 9 program will feature Ron V. May, Co-founder of Legacy 106 Archeology and Historic Preservation, a company that focuses on researching old houses for property owners. The company has helped more than 300 houses receive historical designation and the Mills Act property tax reduction.

Mr. May is a professional archaeologist and public historian, receiving many awards over the span of his career.

He will give a talk on historic preservation entitled "How Old is Your House".

Doors open at 3:30 pm. Program to follow.

## Point Loma Assembly Makes the News

A story about the Assembly's 100th Anniversary and the Common Cause Project, accompanied by a photo of Mayor Faulconer presenting Susan Hoekenga and Dottie Laub with a plaque at the celebration ran on page 5 of the March 19th issue of The Beacon.

This was the result of our sending out a press release to the media announcing our intention to solicit proposals by non-profits wishing to use the Assembly hall, with one of them getting the opportunity to use the Hall free for their gathering. The article states how to submit proposals. You, too, can help. If you know of a non-profit that would like to use our building for a fund-raiser, please have them contact Susan Hoekenga.

### What Makes a Board "Good"?

A good board does three things well: 1) oversees the facility, finances, and membership; 2) makes decisions on behalf of members that best implement the mission of the organization; and 3) ensures the organization acts ethically and obeys the laws.

Good boards foster inclusiveness, accountability, and trust. Their work is reflected in open and honest discussion and makes members feel appreciated. Good organizations choose leaders that truly believe in their mission and work. These organizations make the community a better place by offering something special.

In the case of the Assembly, that's our 100 year old building, which is used nearly 300 times a year by groups that put on performances, offer classes, hold celebrations, meetings and activities. We offer a place of fellowship, a place where you can get to know your neighbors and your community better. If this appeals to you, have we got some great news! You can enjoy being part of an organization that is making a difference, spend time with really nice people, and feel good when you leave – just by joining our
