

# Point Loma Assembly

EST 1911

3035 Talbot Street

P.O. Box 60174, San Diego, CA 92166

VOL 2, ISSUE 3

AUGUST 2015

At the concert: (left to right) Cecilia Carrick, Bridget Wear, Dottie Laub, Marty Smith, Susan Hoekenga and posters by Bruce Cook.

The first Point Loma Summer Concert was held July 10th and a large crowd enjoyed great music and beautiful weather. Best of all, the Assembly got some good exposure.

Thanks to a generous donation by Dottie who designated the Assembly as proxy for her sponsorship, we were able to say a few words at the beginning of the evening and direct people to our table. Bruce Cook's renderings generated a good bit of interest and we enjoyed visiting with some of our Assembly members who stopped by between acts. Thanks to Cynthia Sinclair for the great photography!

## September 10th Meeting Notice

The Assembly membership meetings resume in September. Held on the second Thursday of the month, we look forward to welcoming you back and know you won't want to miss an opportunity to greet neighbors you haven't seen in a while and meet some new friends.

Our September meeting speaker is cultural landscape consultant Vonn Marie May, who will describe the confluence of agriculture, horticulture and floriculture at the 1915 Panama California Exposition in a program entitled *A Celebration of Landscape Design and Botanical Promotion*.

We will also provide members with a summary of the accomplishments from last year, including a year-end financial statement, and our operating budget for this year.

Members tell us how much they enjoy our social time with beverages and nibbles prior to the meeting, and continuing the tradition, our hospitality service will take on a new look this

year. For the September meeting, board members will host the drinks and snacks. For future meetings we are looking for suggestions and volunteers willing to bring a snack for the buffet table. If everyone pitches in, each member will only have to bring a snack once during the year.

Doors open at 3:30.

Meeting and program to follow.

## Our Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

## Plan, Plan, Plan

Over the summer, on a breezy July day, your board met to brainstorm priorities for the Assembly during the coming year.

Among other things, we discussed the “needs list” for repairs and renovations on the building, topics for future programs, holding a special Valentine’s Day party in lieu of our February meeting and plans for an Art Show in November. Part of our time was spent on ways to grow our membership by encouraging more spouses to participate, changing meeting times, and other activities we can undertake to encourage participation. Some of the ideas proposed were dance and musical entertainment, local food and /or craft beer tasting, Portuguese fishing industry, and a fashion show, which was a big hit several years ago. If you have any ideas, please feel free to contact Board President Susan Hoekenga.

*Note from the editor: Thank you to Susan for hosting this retreat. Great people, great view of Sunset Cliffs and great food!*

## Membership Report

*By Pam Fuchs, Membership Chair*

The membership committee is proud to report that we are at 75% of our goal to reach 100% membership renewal. If you have not yet sent in your check, please do so now. If you need an envelope or want to check on your renewal, email Pam Fuchs at pafuchs@cox.net.

Welcome to new members, Laura Mundy and Shirley Haimsohn, who joined in June. Laura is also known as Cecilia Carrick’s Mom and has helped out with events for the Assembly. Shirley and husband Ed are long time Point Loma residents and great supporters of the programs of the Assembly.

A special invitation to all members: During August, if you would like to bring two or three friends to see the renovations and hear about plans for the future, contact Pam Fuchs at pafuchs@cox.net. You will be met with refreshments and information about the Point Loma Assembly goals and projects.

## Point Loma Assembly Announces “SKY’S THE LIMIT”

### Youth Art Show on November 14th

The Point Loma Assembly in conjunction with the organization Young Audiences of San Diego (YASD) will present a unique art show featuring the creations of Point Loma’s youth community. This event will be held at the Assembly on Saturday, November 14th, 2-6:00 pm. Refreshments and live entertainment will be provided for the attendees and there will be NO CHARGE to come to the event.

The YASD is a 51-year old organization that brings art to San Diego’s youth through the school system and public libraries. The “Sky’s the Limit” project will be comprised of three workshops held at the Point Loma library, during which 10 different art pieces will be created primarily by youth using recycled materials and then auctioned off at the event.

The event is a community outreach activity and is designed to increase awareness of the Assembly building and membership as well as introduce the Young Audiences of San Diego and the good work they do within the Point Loma school system and community.

More details will be provided in upcoming newsletters and brief updates will be made at the September and October meetings. Sandy Perlatti, our new Ways and Means Chair, will be heading up the project and is seeking underwriting sponsors and volunteers to help with the planning and executing of the event. If you wish to help out, please contact her by e-mail sperlatti65@gmail.com and she will get back to you in late August, immediately after she returns from a planned vacation.

## Thank You ....

*To our hero, the very understated  
Bruce Cook.*

Bruce devotes hours and hours of time to help make the Assembly function more efficiently. Drawing on his restoration background, he not only keeps things running at the As-

sembly, he takes care that new projects, such as the fireplace and new mantel, fit the time period during which the hall was built.

He has been working diligently on the fireplace and new mantel. He has completed construction of steps and banister for the Stage left wing. He also purchased the new mirror and trash bins.

*Below is one of the renderings of the Hall Bruce did for Point Loma Assembly's booth at the opening concert of the Point Loma Summer Concert Series.*
