Our Promise is Unchanged!

By Cecilia Carrick, Board President

It is one of those “once in a lifetime” moments in time. This pandemic has rippled through our lives in incalculable ways, and it is still difficult to believe that routine plans such as indoor dining or attending the theatre are at this moment “*verboten*”.

It has also impacted our relational and personal interactions with you, our friends, supporters and members. We miss our Assembly Hall social gatherings, the educational presentations, the chit-chat, the hugs.....

But our key Mission at the Assembly is to preserve our 100 year old building. That is our promise, and *you will not be disappointed*. Using monthly ZOOM meetings, e-mails and phone calls, your Board has obtained bids, made comparisons and met with contractors - all in efforts to continue to repaint, repair and restore our beloved Assembly Hall. The building is looking great!

Non-profits continue to have needs and we, as your Board of Directors, have adapted to meet those needs. We are committed, even without rentals, to move forward, albeit to a different tune.

We need your support more than ever. Support our compelling promise. Help us by being generous. **Renew your membership**. Consider supporting our non-profit at a higher level with a business sponsorship or a donation. Help us preserve our historical Point Loma building and continue the broader mission of the Assembly.

*What we have been up to:
Kenny Light is almost done sanding and painting the East windows.*

The work looks good and he has totally transformed the east end of the building

He also fixed the 3 large stucco defects with chicken wire and new stucco and is also repairing the paint on the door and repainting the grey porch.

Our Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

Membership News

*By Pam Hamilton Lester,
Membership Chair*

ANOTHER BIG THANK YOU to the 98 members who, as of July 31, have renewed their Assembly memberships for 2020-2021. A very few members have let me know circumstances have changed and they are not renewing. I am hoping to hear from an additional 20 members that the “*check’s in the mail!*” Members are asked to contact me at 619-222-8242 or by email at pamhamiltonlester@cox.net if a Membership Application is needed, or if you would like to be emailed an invoice permitting renewal online. Membership is \$100 per year, or \$150 for two members in the same household (one vote). We are continuing to recruit new members— please let me know if you have a friend, colleague or family member who is interested in supporting the Assembly’s mission. The pandemic has made membership outreach challenging, but please renew and recruit new members to continue the Assembly’s significant contribution to the Point Loma community.

What a Difference a Year Made!

The ball field next to the Fire Station on Catalina looks lonely this year. Below is how it looked at this time in previous years when the Point Loma Summer Concerts were held. Hopefully next year.

Do You Remember...

A member recently purchased 952 Rosecrans Street, the old two story house with the giant clam shell in the front yard. They were wondering if any of our members know any of the history behind the old house. The City Historical group is closed, so getting information has been difficult. So far, we know that Ingrid Croce once owned it, and may have had a school there. We have so many educated, knowledgeable members that we're hoping one of them knows something, Please email any details you have about this house to sigprop@cox.net.

The Library Is Not Open But...

La Playa Books has decided to set up a book tent Saturdays and Sundays 11 a.m. - 4 p.m. throughout August. Bring your sunscreen, your mask, and your browsing skill and visit them in their parking lot, which is located behind the building, off Upshur Street.
