## Our May 13 Meeting

Join us as we welcome Adam Zack, owner of Jensen's Foods along with wine buyer Josh Brown and store manager Sandra Gilmer on May 13. They will talk about the history of Jensen's - dating back to 1940 - and how a family owned and operated business has grown and succeeded in a grocery environment that is increasingly corporate driven. Topics will also include how Jensen's happened to be in this location and what they plan as they approach their five year anniversary here in Point Loma. We will talk about how the pandemic has affected business and what Jensen's sees in the near future as we emerge. Your questions will be welcomed.

At this time, all our meetings are via ZOOM and take place at 4 p.m. You will receive an email with log in instructions the day before.

## Membership News

*By Pam Hamilton Lester  
Membership Chair*

The Membership team of Lynda Cook, Pat Baker, Cecilia Carrick and I have put the wheels in motion so that Point Loma Assembly 2021-2022

Membership Renewal Applications and cover letters will be in members' mailboxes by mid-May. Traditionally our June meeting celebrates our members and individual memberships are renewed by June 30. It's not yet certain when in-person meetings will resume so I earnestly hope ALL members will renew as soon as letters are received. My sincere thanks to all members who renewed their memberships after the Assembly was shut down by the pandemic in March of 2020, and to those new members who have joined since then. This support is a strong affirmation of the importance of the Assembly to the community. The Point Loma Assembly is worthy of this same support going into the 2021-2022 fiscal year. Please renew your membership to be part of the Assembly's future!

## Welcome New Business Sponsor

## Good Point Gasoline

Our newest Business Sponsor is the familiar gas station on the corner of Rosecrans and Canon Streets. In 2009 real estate investor Stan Miller purchased the property and moved his family to Point Loma from Hong Kong, where he was VP, Real Estate Investment with Chase International Private Banking

The site had a 76 Gas and Service Station at the time of the purchase, but due to some compliance issues no gas was being sold. Rather than securing another gas operator tenant who would tie up the property for 20 years, Miller elected to teach himself the gas business. He fulfilled the compliance requirements, restarted the gas sales and operated it himself via a company he formed known as Good Point. Stan is a long-time volunteer in youth organizations such as Boy Scouts, Sea Scouts and Exploring and the citizenship and community service values provided to young people via these programs are also practiced at Good Point.
