Upcoming Events at Point Loma Assembly

In September, Point Loma Playhouse resumes live productions. The wonderful La Playa Trail Association begins their programs. And we will resume our monthly member meetings September 9. Stay tuned for dates and times.

Point Loma Playhouse

In New York in the 1940s, the performer whom everyone wanted to see live was Florence Foster Jenkins, an enthusiastic soprano whose pitch was far from perfect. Known as *'the first lady of the sliding scale'* she warbled and

GLORIOUS!

THE TRUE STORY OF
FLORENCE
FOSTER
JENKINS

THE WORST SINGER
IN THE WORLD
by Peter Quilter

screamed her way through the evening to an audience who mostly laughed. But this delusional and joyously happy woman paid

little attention to her critics, comfortably surrounded by devoted friends who were almost as eccentric as she was. A sparkling comedy based on the true story of the astronomical success of the worst singer in the world opens the Point Loma Playhouses' new season. Based upon a true story, the play spins from Florence's charity recitals and extravagant balls, through to her bizarre recording sessions and ultimate triumph at Carnegie Hall in a hilarious and heart-warming comedy.

September 17 - October 9, Friday / Saturday at 8 p.m. / Sundays 3 p.m. Details at pointlomaplayhouse.com.

Honoring Point Loma History

La Playa Trail Association was founded to commemorate the oldest commercial route in the western United States. Details at laplaytrail.org.

Summer Greetings to All

by Pam Fuchs, President

During this period of traditional "Dark" time for membership activities, the newly elected members of the Board of Directors and I have been meeting to plan for what we hope will be an enjoyable, interesting and rewarding 2021-22 year.

The good news that I have to report is that Point Loma Assembly is fully open, unless we receive new County guidelines regarding Covid protocols. Our regular faithful tenants are coming back and scheduling for fall. Our meetings will return as in-person events beginning with our September 9 Welcome Back Gala Reception and Meeting. It will be good to see everyone in person.

During this Summertime, I have a challenge for you! To become aware of needs in our community so that we can have excellent information at our disposal when we discuss opportunities for the Assembly to assist in our outreach efforts.

I wish you all a wonderful summer with family and friends. Let's come together refreshed and ready for an excellent year for Point Loma Assembly.

Visit to Visions Art Museum

The Board of Point Loma Assembly was treated to a private tour at VAM on May 28.

Our own Dorothea Laub bought this gift of fabric art and donated it to the museum for its permanent collection. It is part of a 3-piece series called "Sidewalk" that the museum's Director chose because of its future use as a great example of fabric art to be used as a teaching tool. Go, Dottie!
