## Point Loma Assembly General Meeting September 9, 2021

Linda A. Canada will speak about

### “San Diego Women I Wish I Had Known”

The common thread among the San Diego women Ms. Canada wishes she had known is that they each in some way impacted the development and success of Balboa Park and the institutions within it. Some of the six names will be familiar, and others may be new to you. Some you may have heard of, like Alice Klauber or Bea Evenson, but are unsure of their roles in business, the arts, or organizational leadership. Each woman’s story reflects the era in which she lived and prospered, and each tale illustrates how one woman made a difference in San Diego.

Linda Canada holds an undergraduate degree in History from UCLA, and a law degree from Loyola University in Los Angeles. Twenty years after leaving her legal practice she still considers herself a “recovering lawyer” and since then has worked exclusively in the field of local history. In the mid-1990s she spent three years developing a children’s education program at the San Diego History Center, and in 2008 spent six months as its interim Executive Director. From 2005-2017 Linda served as the archivist for the Japanese American Historical Society of San Diego (JAHSSD) and was its President 2009-2012. Linda has given talks for the San Diego History

Center’s Speakers Bureau for more than 20 years.

This meeting will be held on September 9, 2021.

## Together Again!

*By Pam Fuchs, Assembly Board President*

It is time to meet again in person. We have done all the right things. We stayed home, we didn't shop, we wore our masks, we navigated the confusion at the beginning of vaccinations and we got our vaccine.

Our opening meeting has been postponed until October 14. We will have a champagne reception, meeting and program presented by Linda Canada.

Plan to wear a mask while indoors except when eating and drinking.

A special recognition for hard work organizing the Zoom meetings goes to Cecilia Carrick and Stan Nadel. They are super stars as well as Sally Bixler and Sandy Perlatti for selecting speakers who were not only interesting, but willing to present on line in our Zoom format.

### Assembly Strives To Help Our Community

Your dues helped us help our community in the fiscal year 2020-2021. We were able to donate to the OB Food and Toy Drive, the San Diego Food Bank, and the "Stuff the Bus" project for homeless students, and to contribute as a Business Sponsor to the Point Loma Association.

**GLORIOUS!**  
THE TRUE STORY OF  
**FLORENCE  
FOSTER  
JENKINS**  
**THE WORST SINGER  
IN THE WORLD**  
by Peter Quilter

## September 17 - October 9, 2021

This hilarious production from Point Loma Playhouse opens the Playhouse's new season.

In New York in the 1940s, Florence Foster Jenkins was an enthusiastic soprano who was possibly the worst singer in the world. She warbled and screeched her way through her shows with gusto to an audience who mostly laughed but this joyously happy woman paid little attention to her critics. Based upon a true story, the play spins from Florence's charity recitals and extravagant balls, through to her bizarre recording sessions and ultimate triumph at Carnegie Hall in a hilarious and heart-warming comedy.
