MARCH 2022

Point Loma Assembly General Meeting March 10, 2022

Linda A. Canada will speak about

"San Diego Women I Wish I Had Known"

The common thread among the San Diego women Ms. Canada wishes she had known is that they each in some way impacted the development and success of Balboa Park and the institutions within it. Some of the six names will be familiar, and others may be new to you. Some you may have heard of, like Alice Klauber or Bea Evenson, but are unsure of their roles in business, the arts, or organizational leadership. Each woman's story reflects the era in which she lived and prospered, and each tale illustrates how one woman made a difference in San Diego.

Linda Canada holds an undergraduate degree in History from UCLA, and a law degree from Loyola University in Los Angeles. Twenty years after leaving her legal practice she still considers herself a "recovering lawyer" and since then has worked exclusively in the field of local history. In the mid-1990s she spent three years developing a children's education program at the San Diego History Center, and in 2008 spent six months as its interim Executive Director. From 2005-2017 Linda served as the archivist for the Japanese American Historical Society of San Diego (JAHSSD) and was its President 2009-2012. Linda has given talks for the San Diego History Center's Speakers Bureau for more than 20 years.

Doors will open at 4:30 p.m. with the program to follow.

Message from Point Loma Assembly

President Pam Fuchs

On February 24 a group of members met to have a Community Impact Discussion. Many thanks to Helen Kinnaird, Ellen and Bill Ewing, Belle Ann Baker, Vickie Lareau, Susan Diamond, Shirley Haimsohn, Pattie Adams, Lynn Silva, Ruth Rollins, Patti Mahoney, Ann Matchinske, Sally Bixler, Klone Kunzel, and Dorothea Laub, who all sat down together and discussed nonprofit organizations that are working in the community and what needs the Assembly might meet with a monetary donation and perhaps volunteer assistance. The discussion was rich with ideas. The group realized that seeing that our community children have the best chance to excel became a common wish for the group. The group was particularly interested in supporting Cabrillo Elementary, our neighbor. The idea that we establish an Education Impact Action Committee to further research the needs of our schools and to organize the assistance was felt to hold merit.

On Thursday, March 25 at 2:00pm a working session will be held to establish an Assembly Education Impact committee. Please attend, if this interests you and you have time to participate. Contact me personally at pamfuchs43@gmail.com.

Beyond community needs the meeting was an open wide-ranging discussion about needs of the Assembly to support our membership in programming. Meeting times,

frequency of meetings, interesting programs and activities were discussed. Growing the numbers of members was a group desire and the way to reaching that goal was each member reaching out to a friend, neighbor or business acquaintance. So, let this be a personal challenge to bring in a member!

One last request to each of you is to spread the word that our Hall is beautiful and ready to be rented for all manner of meetings and parties.

I look forward to seeing you at our March meeting and excellent program.

POINT LOMA PLAYHOUSE
Presents

The Artificial Jungle, by Charles Ludlam is a hilarious, campy send-up of the Film Noir style of *The Postman Always Rings Twice*. In this pulp fiction parody, all the emotions are there, lust, greed, guilt, double-entendre, silliness, ventriloquism, and of course...
MURDER.
