## Our April 14 Meeting

### Learn About the Latest with the Port and Beer!

Dan Malcolm, Chair of the Unified Port of San Diego, will update us on what's happening at the Port.

Representing the City of Imperial Beach, the President and CEO of Malcolm Properties, has extensive experience in the field of commercial real estate brokerage, investment, finance and commercial property development. He previously served on numerous public and private boards, including as Chairman of Sharp Coronado Hospital and a Director on the master board of Sharp Healthcare. Commissioner Malcolm holds an undergraduate degree in real estate finance from San Diego State University and a law degree from Thomas Jefferson School of Law.

Before the program, when the doors open at 4:30 p.m., Sam Billheimer, head brewer of The Ketch Brewery/The Brigantine Group, will educate us on craft brewing. He will provide beer samples and let us know what exactly we are drinking, be it Dr. Billheimer's Magic Pilsner, Celestial Navigation or Alta Mar - courtesy of The Brigantine Group, one of the Assembly's business sponsors.

For Sam, brewing is equal parts passion and precision. The passion started during off seasons as a commercial fisherman in Alaska and persisted during his Ph.D. at Scripps Institute of Oceanography. After pursuing an extension course at UCSD in brewing, Sam's passion propelled him into the world of professional brewing for good. Having cut his teeth at hallmark San Diego breweries like Benchmark Brewing, Mike Hess and Fall Brewing, Sam formed his own distinct style.

#### **Point Loma Assembly's Mission:**

## NEW BUSINESS SPONSOR

### The Hartley Company

Brian Hartley, a fourth generation San Diego insurance agent, is owner of the Hartley Company. Now in its 71st year, this multi-generational insurance business started in 1882, when Brian's great grandfather moved from Iowa to El Cajon and began selling fire insurance to farms from San Diego to Temecula in a horse and buggy.

Their six children included youngest son, Paul James, grandfather of current owner Brian, who was born in a house in National City in 1894 and sold life insurance in his later years. His son, William started the Hartley Company in 1951 in downtown San Diego and sold property and casualty insurance while brother Kenny sold real estate and did property management and youngest brother Donald sold title insurance. Ten years later, Brian's father Donald inherited the agency when Bill and his wife were killed in a small plane crash. Brian purchased it from his father in 1995 and has been running it since. Being an independent insurance agent with access to several markets means he can tailor policies for the special needs of his clients and do it in a personalized fashion.

The Hartley Company is located at 3258 1/2 Rosecrans Street, San Diego, CA 92110 (The Wheeler Building) or call 619-639-8635.

## Local Rotary Club to Help Ukraine

20-year old international disaster relief program ShelterBox USA works with Response Teams who distribute aid on the ground, working closely with local organizations and international aid agencies and Rotary Clubs worldwide. Our local Point Loma Rotary is sponsoring an effort to provide ShelterBoxes to families who have been displaced in Ukraine. Typical boxes include tents and other necessities and are tailored to the nature of each individual disaster and location.

\$1,000 provides a complete ShelterBox, \$500 gives a family a tent for shelter. \$250 gives a complete cooking set. Point Loma Rotary is accepting tax deductible donations made payable to PLRC Endowment Fund with a notation in the memo portion of the check "ShelterBoxes Ukraine."
