NEW BUSINESS SPONSOR

Eclectic Boutique

We have received some sad news from one of our newest business sponsors: owner Ellen Scott has decided to close Eclectic Boutique. The advent of COVID-19 months after the store opened led to a change in the market and it has become unfeasible to stay open. After 37 years in Point Loma, Ellen and her husband have decided to enter a new chapter of their lives and are moving onto a golf course in Las Vegas. Manager and trusty side-kick Ashley is pursuing her dream of being an actor and is moving to LA. A 50% off everything sale started May 27 and will continue until July, so stop in and say goodbye to this great little “shop around the corner”.

Newest Business Sponsor

Business Sponsors support the Assembly with annual donations of \$250. This month we welcome our newest Business Sponsor: Lawrance Contemporary Home Furnishings located at 633 University Avenue, owned by Howard Haimsohn, son of Assembly member Shirley Haimsohn. Please thank Business Sponsors when you visit their places of business!

Membership News

By Pam Hamilton Lester, Membership Chair

Assembly members should have received invitations in mailboxes this past week to renew their memberships for the upcoming 2022-2023 fiscal year. Our wonderful members make a unique and meaningful contribution to the Point Loma community by being stewards of an irreplaceable historic resource, a gathering place promoting literary, social, educational, philanthropic, civic and artistic activities. Assembly membership and Legacy Fund donations grew in size during the pandemic because collectively we care about this important mission. Please renew your membership before June 30 to be part of the Assembly’s future! A sincere thank you for your past support!

Assembly Collaboration with Cabrillo Elementary Underway

by Pam Fuchs, Assembly President

The Assembly project team led by Carolyn Bick and Lynn Silva has been working with Cabrillo Principal Rebecca Vogel to develop educational opportunities for the students. Many possibilities have been explored, such as Art in the Classroom and Read Aloud Events. All are good ideas and are being explored for the future.

The first activity will be start during the last days of school this year. The Assembly, with the assistance of La Playa Books, will be distributing workbooks for the students in grades 1 - 3 to work on during the summer. The books provide an opportunity to review language, science and math. The second phase will be a reward event for those students that return in the fall with completed workbooks.

As an Assembly member you are invited to join the Education Impact Committee and get involved in future activities that support Cabrillo Elementary Students. The committee at present includes, Carolyn Bick, Lynn Silva, Shirley Haimsohn, Ann Matchinske, and Pam Fuchs. Contact Pam Fuchs for details at pamfuchs43@gmail.com.
