JULY 2022

Our June meeting celebrated the First Ten Years since the Assembly was re-structured in June 2012.

(top right) Pam Fuchs presented the Business Sponsor of the Year Award to Amy Hesselink of La Playa Books. La Playa Books was our very first Business Sponsor. Certificates were also presented to past presidents Patti Adams, Susan Hoekenga, Sandy Perlatti and Cecilia Carrick.

(top left) The food was catered by Miguel's - an all-time favorite.

Lovely floral arrangements by Beth Collado and Margie Myers added a touch of summer to each table.

(bottom left) Keynote Speaker Patti Adams regaled us by reading texts and messages from Dottie Laub about reorganizing the Assembly ten years ago. Even though Dottie was not physically present, hearing her emails and notes were soooo her.

Point Loma Assembly's Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

Membership News

By Pam Hamilton Lester
Membership Chair

SINCERE THANKS to the 96 members who, as of June 30, have renewed memberships for the July 1, 2022, – June 30, 2023 Fiscal Year. Members make a unique and meaningful contribution to the Point Loma community by being stewards of our historic building, a gathering place for promoting literary, social, educational, philanthropic, civic and artistic activities. Members who have not yet renewed are encouraged to do so at the earliest opportunity. If the renewal application mailed to members in May has been misplaced, please contact pamhamiltonlester@cox.net. Members who prefer to renew by credit card, please contact Assembly Treasurer Belle Ann Baker at belleabaker@gmail.com to receive an invoice and link to pay online. Either way, renewing members are asked to note if any contact information has changed since last year. Membership fees are set at an amount to welcome broad participation within the community; membership renewals are critical to meeting the Assembly's mission.

NEW BUSINESS SPONSOR

Point Loma Shelter Island Drug

The familiar-looking building at 1105 Rosecrans has been at this location 31 years, although the family-owned Point Loma Shelter Island Drug has been in business over 100 years.

Twelve years ago, they opened a second location, Cabrillo Drug, next to Jensen's.

Owner Michael Saad's family left South Africa and founded their business using their passion for customer and patient care to understand the Health needs of you and your family and priding themselves on personalizing your care to meet your health care needs. Unlike chain Pharmacies, they are community based and strive to provide a family like atmosphere for all their customers. They offer quality products at affordable prices and work with your insurance plans to keep your medications affordable.

They live, work and play in the same community as you and feel it is their responsibility to take care of the community and their neighbors.

Our Education Impact Committee Moves Forward

Point Loma Assembly's Education Impact Committee, led by Lynn Silva, Carolyn Bick, and Pam Fuchs, has been working with Cabrillo Elementary School, Principal Rebecca Vogel to develop educational enrichment opportunities for their students. Many possibilities have been explored, such as Art in the Classroom and Read Aloud Events.

The first activity chosen has been started. The Assembly, with the assistance of La Playa Books, donated Dr. Seuss workbooks for every student in grades K - 3 to work on this summer. The books provide creative learning exercises that review language, science, and math. The second half of the activity will be a reward event with prizes for the students who return their completed workbooks this fall. If you have prizes to donate, please contact the Assembly. Gift certificates and event tickets are welcome.
