SEPTEMBER 2022

Our September 8 Meeting features Ted Leitner

Face it, you either loved him or you didn't. But you probably watched him and learned a lot.

Controversial, outrageous and hilarious, Ted Leitner has been the enduring voice of San Diego's sports scene since 1978. He spent 41 seasons as play-by-play voice of the Padres and 25 years as the radio voice of football and basketball for the San Diego State Aztecs, a role that continues today.

He also spent 25 years (1978-2002) as sports anchor and commentator on San Diego's CBS 8 as well as serving as a popular talk-show host and sports humorist on KFMB Radio.

He also served as MC for Petco Park memorial services devoted to his longtime radio partner Jerry Coleman and later that year, for Tony Gwynn.

In early 2021, Leitner was appointed as the Padres' Official Team Ambassador by team owner and chairman, Peter Seidler.

TED TALKS:

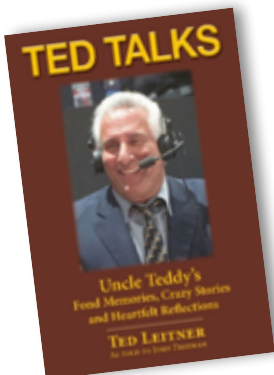

Uncle Teddy's Fond Memories, Crazy Stories and Heartfelt Reflections

As told to native Point Loman John Freeman

In his own words, **TED TALKS** tells the story of Ted Leitner's remarkable life and career. Told with passion, pathos and humor in a revelatory, self-deprecating style, **TED TALKS** tells the story of his triumphs, travels and travails.

There will be a supply of the books available at the meeting and it is also available on Amazon.

Doors open at 4 p.m., program to follow.

Point Loma Assembly's Mission:

Welcome back to the Assembly Activities

Pam Fuchs, Board President

While we were planning for activities and the programs for this year during the summer, the activities at the Assembly Hall hummed along. We hosted Weight Watchers and the Bible Study Group weekly. There were private rentals, including some beautiful weddings. Now the Playhouse is in rehearsal for a fall production.

Two of our members did not take the summer off. Lynn Silva and Carolyn Bick worked all summer to complete the Summer Workbooks for Cabrillo Elementary School activity. They have plans for a treasure trove of prizes for completion of the workbooks as well as a school wide Bubbles Celebration. There is a long list of possible enrichment activities to benefit the students at Cabrillo. This fall why not take the time to help with the planning? Please say you would like to join in on the activities for this project.

A second project had its beginnings this summer when we began to organize our historical

documents into easy to locate files.

There is plenty of room in our beautiful cabinet for all papers. KLonie Kunzel has agreed to take the lead in researching, writing and printing a Point Loma Assembly History. Kitty Mc Daniel is busy researching our documents. I am excited to see the results.

Thank you for being a member. Please bring guests to Assembly Meetings - they are always welcome and maybe they will be new members!

We are going to have a lot of fun on September 8. It will be good to see you.

My best, Pam.

A captivating and hilarious song cycle which delves into the trials and tribulations of modern love, Maltby and Shire's Closer Than Ever will take audiences on a journey of lust and romance, marriage and ageing, unrequited love and obsession.

Past reviews:

Michael Kuchwara of the Associated Press hailed: "One of the finest scores of the year. Closer Than Ever is an exhilarating musical revue that reaffirms one's belief that the American musical theatre isn't dead yet."

Edith Oliver in The New Yorker - "Nothing but praise for Closer Than Ever."

David Patrick Stearns of USA Today - "Maltby and Shire are one of the great song-writing teams, and possibly the funniest. Closer Than Ever is the most satisfying and humanizing new musical this season."
