

Point Loma Assembly

EST 1911

A Message from Membership Chair Sally A. Bixler

Thank you for the positive impact that your membership has made on our community this past year. Together, we gave back almost \$20,000 to 11 local non-profits to sustain their programs that inspire children, feed our underserved neighbors and educate young women on the environment that surrounds us. All while preserving our historic clubhouse and providing an up-to-date venue for our monthly membership meetings, local theatre, community gatherings and private events. Your membership dues and donations made the following possible:

- * Helped Cabrillo Elementary students build confidence through the Everyone a Reader program.
- * Opened new doors for children through the ACCESS program at Arts District Liberty Station by exposing them to art, cooking and dance.
- * Funded these 11 non-profits: Point Loma Summer Concerts, Classics4Kids, The EcoLogik Institute, Point Loma High School Music Boosters, Visions Museum of Textile Arts, Ryan YMCA, Correia Instrumental Music Association, My Good Brain, San Diego Craft Collective, Cygnet Theatre and Arts 4 Music.
- * Maintain our 112 year old historic building for community events and private rental use at reasonable rates that helps fund our local grants.

Your membership includes the following:

- * Mostly monthly meetings for members and guests with social time to visit with friends and neighbors and see an educational program.
- * A monthly member Newsletter that informs you of upcoming events in our community and at the Point Loma Assembly.

How to join? It is easy-Membership is \$100 annually for individuals and \$150 for a household. Business Sponsors are \$250 annually and we will promote your business at meetings, on our website, in our newsletter and at our December Holiday Open House for our community. Just go to www.pointlomaassembly.org and click on Membership/JOIN/PAY/UPDATE and follow the instructions.

Check us out at www.pointlomaassembly.org for more information on us!
